Letter No. 15164-H2/56-2 dated 2-4-1956.

Sir,

Sub: Celebration of 'Highway Week' in South Kanara District during the last week of April 1956--Expenditure--Sanction of Government--requested.

- - -

The Collector of South Kanara has informed me that it is proposed to celebrate a 'Highways Week' in South Kanara District during the last week of April 1956 and that a sum of about Rs.3,000/- is required for expenditure in connection with it. He has also stated that out of this Rs.3,000/-, about Rs.1,500/- is expected to be realised by way of advertisement charges in a special brochure, which is proposed to be brought out for the occassion. The Collector has also requested me to approach Government for the sanction of the balance amount of Rs.1,500/- required for expenditure in connection with the celebration of the week.

The purpose of celebration of the week is to focus attention of the people on the work done and being done by the Government in the improvement of communications in the State in general and in this District in particular. It is not only to publicise what has been achieved, but also to show it in correct perspective against the back-ground of the conditions under which the work of improvements started is being done and is proposed to be continued in future. It is to help the people to realise that broad vision, comprehensive and competent planning and steady swearing perseverance are required to achieve the object of "Highways to prosperity", which is so dear to all. In short it is to make people "Plan minded" atleast one aspect of Government work. This is proposed to be done by means of publishing a brochure, by lectures and by exhibitions for about a week.

The brochure will contain articles of lasting value on topics intimately connected with roads, bridges and communications in general by competent persons who have been approached in the matter. Prominent persons in public life and officers of this and allied Departments will be invited to speak to the people at Mangalore and if possible at the taluk centres also on subjects connected with communications. An exhibition of models, photographs, plans and charts and paintings which will illustrate the achievements of the past and the targets of the future will be held at Mangalore and on small scales in taluk centres also.

The amount referred to by the Collector is required to organise and run this 'week' with the programme, a short description of which is given above. To organise and conduct the week successfully a Committee has also been constituted with the Collector of the District as its President and Sri T.A. Pai, M.L.A., and Sri M.S. Srouty, B.E., Divisional Engineer (Highways), South Kanara as Joint Secretaries.

In the circumstances, I request early sanction of Government may be accorded to the contribution of a sum of Rs.1,500/- in this connection.

Sub: HIGHWAYS DEPARTMENT - Celebration of 'Highways Week' in South Kanara district during last week of April 1956 - Contribution - Sanction

Ref: From the C.E.(H) Lr.No.15164-H2/56-2 d/2-4-56.

....

The Collector of South Kanara has informed the C.E.(H) that it is proposed to celebrate a 'Highways Week' in the South Kanara district during the last week of April 1956, that a sum of about Rs 3;000 is required for expenditure in this connection and that of this a sum of Rs 1,500 is expected to be realised by way of advertisement charges in a special brochure which is proposed to be brought out on the occasion. It is reported that the amount is required to organise and run the 'Week'. The Collector has requested the C.E. to approach the Govt. for the sanction of the balance amount of Rs 1,500 required for expenditure in connection with the celebration of the week. The purpose of the celebration is explained in para 2 of the C.E's letter on page 1 c.f. A brief description of the programme proposed to be followed is given in para 3 of the C.E's letter. It is reported that a committee with the Collector as President and Sri T.A.Pai, M.L.A., and the D.E.(H), South Kanara as Joint Secretaries has also been constituted to organise and conduct the 'Week' successfully. The C.E. has requested that sanction may be accorded for the contribution of a sum of Rs 1,500 towards the expenditure of the celebration.

2. The proposed celebration is the first of its kind to be conducted in the State. The C.E. has also not indicated why the celebration is confined to the activities and achievements of the Highways Dept. and whether the activities and achievements of the other Departments in the South Kanara district are also proposed to be celebrated some time later. As the 'Highway Week' is to be

celebrated at Mangalore and also at Taluk centres, the gross expenditure of Rs 3,000 does not seem to be high. It is for consideration whether the proposal of the C.E's to contribute Rs 1,500 towards the expenditure of the celebration may be approved.
